Why SATs must go...the top three reasons

1. They narrow the curriculum
2. They create the tyranny of league tables
3. They cause unnecessary stress to children, parents and teachers

NUT General Secretary Christine Blower says:

"Now is the time to make a stand to end SATs. Parents, children and communities will all benefit. Please vote 'yes' in the indicative ballot. Together we can end the misery of SATs and make 2010 a great, SATs-free year for education."
