

The NUT Trains

Final Timetables

IMPORTANT NOTES

- Morning departure times for the LANCASTER and LIVERPOOL trains are the same as previously advised. Planners have managed to arrange for the train to stop at the requested en route stations without affected the start point departure time.
- Morning departure time for the MANCHESTER train is 16 minutes earlier than previously advised. This was necessary in order to arrange for the train to stop at the en route stations as requested.
- The times for the en route stations on the way to London are the arrival times of the train in those stations. This is to minimise the chance of passengers missing the train.
- Platforms where given may change at any time. It is VERY important that passengers check for the latest information at the stations concerned.
